The following announcement was published in Mexico's "*Diario Oficial*" (Federal Register) on June 3, 2002.

On July 1, 2002 at 11:00 AM, Mexico's Secretariat of Economy (SE), will conduct an auction for permits (*cupos*) to the Mexican private sector to import 2,204,000 Kgs. of milk powder duty-free. This auction is in keeping with Mexico's commitments under the Uruguay Round agreement and the NAFTA. SE's Directorate of Foreign Trade Services (DGSCE) will conduct the auction, which it lists as auction number 038/2002. The details of the auction are as follows:

HS#	Description	Total Quantity for Auction	Maximum Quantity per Importer

Insurgentes Sur 1940, Planta Baja
Colonia Florida
Delegacion Alvaro Obregon

FAS/Mexico Note: This is NOT an invitation for bids to purchase dairy products. Rather, it is an auction for the right to import the listed products duty free. Thus, the auction is limited to Mexican companies within the dairy products industry who use dairy preparations in their production process. That fact notwithstanding, it impacts U.S. dairy exporters in that those Mexican importers who are granted the *cupos* will be looking for product to fill the permit shortly after the auction, if not earlier.
